

## Snowflake Appeal 2015 – fundraising pack part 2 – contacts and cash

Keeping in touch and getting your money to us – to support children in your local community through Home-Start South Leicestershire

### Online fundraising

You can donate online to Home-Start South Leicestershire through our page on the Localgiving website: <https://localgiving.com/charity/home-startsouthleics>

Please take care to make sure you have the exact Home-Start account as we are part of a network of more than 280 Home-Starts who all fundraise separately for vulnerable children in our own communities.

Or you can send donations via text through JustGiving.com:

Text HSSL15 (followed by amount) to 70070

### Electronically

Please bank the money you have raised, then either log on to our website and transfer it to us via our Localgiving Donate button (on the Homepage or Fundraising page) or please contact the office on 01858 467982 for details of how to transfer it electronically.

### By Post

When you have finished collecting the funds raised from your event, we suggest you bank any cash and then send a cheque or postal order for the amount raised, made payable to: **Home-Start South Leicestershire**, at the address below.

Unfortunately we can't accept cash by post.

## Gift Aid

Increase your donations at no additional cost to you! Under the Government's Gift Aid scheme, qualifying donations made by UK tax payers can be worth an extra 25%. Please consider Gift Aid as this could add another 25p to *every* £1 you raise.

## Matched giving

Before you send the money in, don't forget to check if your employer runs a matched giving scheme as this is an excellent way to increase your fundraising through your workplace. Many companies across the UK are keen to support employees who are involved in raising money for charities and have a 'charity budget', so it's always worth asking. If not, they may be able to donate prizes or help to get employees on board with your fundraising.
